Dear Parents,

Thank you for inquiring about our Preschool, we value your interest.

Chabad Preschool is a certified early childhood program. We offer a creative and safe environment for your child, while in a warm Jewish setting. The classroom is organized to take advantage of a young child's innate curiosity, stimulating active learning. The room is arranged with a variety of age-appropriate materials that give the child ample opportunities to learn, to explore, to discover and to grow at their own pace. They are encouraged to test ideas, to learn how to be resourceful and to experience the joy and satisfaction of a well earned achievement, while learning to appreciate the rights, needs and abilities of others. Our staff assists, guides and encourages each child according to his/her individual interests and present level of development.

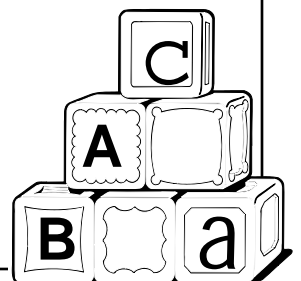

Enclosed is a registration packet. Please fill out the registration form and submit by Sept. 30 with a \$200 non-refundable application fee. We will then schedule a visit so that we can meet you and your child. Upon acceptance, you will receive a tuition contract and Parent handbook. Please note that preference is given to siblings of students that have attended all three years of Chabad Preschool. Also note that for the three's and four's groups, preference is given to children currently enrolled in our program.

Space is limited. We regret that we cannot accept all our applicants and recommend that you apply to other schools as well.

May you be blessed with with a happy and healthy new year and lots of nachas from your children.

If you have any questions please call 212.717.4613
